

## **Messages from *Petersburg Tree Committee***

A gentle reminder: no trees, flowers, or bushes should be planted or removed from city property without the consent of our arborist, Aquilla Books or our president, Rick Snyder. This policy is in place to insure that the beauty of our community is maintained and that our trees, flowers, and bushes are safe and remain strong and healthy.

If you have a concern, the *Petersburg Tree Committee* has referral forms, called *Tree Evaluation forms*, which should be completed, stating the issue of concern. When received, our arborist and/or president will act on the concern in a timely manner.

These forms can be picked up at *Petersburg City Hall* or can be obtained from any tree committee member.

For additional information, contact Aquilla Books at 891.5470 or Rick Snyder at 891.8913.

*Every blade of grass has its Angel that bends over it  
and whispers, "Grow, grow."*

---*The Talmud*

### **Can You Help?**

If you've noticed a tree in need of trimming or a sick tree, please contact either Aquilla Books or Rick Snyder for assistance.

Thank you!

*If a tree dies, plant another in its place.*
